

BCA National Specialty Top Rally Honors (HTQ & HC)

Compiled by Bea Page

Highest Triple Score – also referred to as High Triple Qualifying Score – HTQ – launched as an AKC award in 2017 when AKC added the Master class & title and Rally Champion title to its Rally program. This top Rally honor comes the Regular classes only of Rally Master + Rally Excellent B + Rally Advanced B. The Bulldog Club of America gives out this award to the qualifier at its annual National Specialty Rally trials

BCA National Rally Highest Combined Score

Highest Combined Score – HC – is the other top echelon Rally honor that can be earned at rally trials. It comes from the Rally Excellent B + Rally Advanced B classes. HC has been in existence longer than HTQ and is also now given out at the National Specialty, but was not formally presented as an award until the HTQ was also recognized (2017).
