

PARKOUR TITLED BULLDOGS

From the International Dog Parkour Association (IDPKA) – the first organization to offer dog parkour titles.

<https://www.dogparkour.org/> “Dog parkour combines elements of human parkour and dog agility to create an accessible activity for dogs and humans alike. Dogs get introduced to the world of jumping, climbing, balancing over, crawling under, and going around different obstacles in their everyday world. Parkour can be done anywhere and is limited only by one’s imagination. Dog parkour helps with confidence and overcoming fears, and it is a low impact but challenging activity for any canine athlete.”

Dogs are listed by call names, with full names, to include AKC & Parkour titles, provided at the end of the lists. The first IDPKA title was awarded in 2015. Per the IDPKA website, the first title awarded to a Bulldog (Guppy) was in 2018.

Champion titles (CH-PKD) <https://www.dogparkour.org/championship>

Prerequisite: Novice title. The point of the championship title is to get people thinking, exploring and really doing dog parkour as opposed to just following a list of requirements. The goal is to be the best team YOU can be, and to develop your “parkour eye”, to be able to find new places, new movements, and new obstacles that are safe, appropriate, and fun for your dog. This title very intentionally does not require any specific skill on the dog’s part. This title is not meant to be completed quickly. We want you to put a lot of time and thought into making it the best representation of you and your dog’s journey through parkour.
