

BULLDOGS WITH OTCH POINTS – LIFETIME

OTCH (Obedience Trial Championship) title points are recorded for dogs that have achieved the Utility Dog (UD) title and who then earn a first, second, third or fourth place ribbon when other dogs are in competition in the Open B or Utility B class. Points are based on the number of dogs in Competition, and awarded according to the schedule established by the AKC Board of Directors. When counting the number of eligible dogs in competition, a dog that is disqualified or excused from the ring by the judge will not be included. See the table below the listed Bulldogs for the OTCH point schedule.

BULLDOGS WITH OM POINTS

OM (Obedience Master) and OGM (Obedience Grand Master) title points will be recorded for dogs that have earned the Utility Dog title. After a dog earns an OM title, it may continue to compete and earn points until it is awarded an OGM title. A total of 200 points is required for the OM title. Points be recorded for those dogs earning a score of 190 or better in Open B or Utility B classes, according to the schedule of points shown below. For a title to be earned, thirty percent of the points (60 points) must come from the Open B class and thirty percent of the points (60 points) must come from the Utility B class. The remaining forty percent of the points (80 points) can come from the Open B or Utility B class, for the total of 200 points. When a dog earns a total of 200 points based on the point schedule, it will be awarded an Obedience Master title. OM titles will be awarded for nine levels and upon completion of the 10th level, a dog will be awarded an Obedience Grand Master title. Points accumulated in excess of the 200 points required for each level will be applied towards the next level of award if available. Only one title for Obedience Grand Master will be awarded. Upon being awarded an Obedience Master title or the Obedience Grand Master title, dogs will be permitted to display the title of Obedience Master (OM#1-9) or OGM after their names.
