## **INFO ON DOGS**

Red text = The First Bulldog and Opposite Sex to that dog to complete each fast cat title are notated below. The highest fast cat title currently held by a Bulldog is FCAT6 (a male). The highest fast cat title currently held by a female Bulldog is FCAT4.

Purple text = For each fast cat title, the First Bulldog and Opposite Sex to that dog to complete both an AKC breed championship and an AKC fast cat title are notated below. The same is done for Grand Champions. The purpose is to record the earliest completion of each fast cat title by a CH & a GCH, regardless of whether the CH & GCH titles were completed prior to or subsequent to the specified rally title.

The highest conformation title currently held by a fast cat titled Bulldog is GCHB. The highest fast cat title currently held by a CH is FCAT, by a GCH is FCAT and by a GCHB is BCAT.
