RNC History

In 2013, AKC added Rally to their Extravaganza show at which the nineteenth National Obedience Championship (NOC) and the second National Agility Championship (NAC) also took place. This was the first time that AKC provided an all-breed Rally competition at the national level. It drew 168 Rally teams (dog & handler) comprised of 50 Breeds (to include the Bulldog) plus All-American dogs that were entered in one of four classes: Rally Novice, Rally Advanced, Rally Excellent or Rally Advanced Excellent. Each dog and handler's combined scores & times for their runs determined placements in each class by highest combined score & then shortest time. Breed history was made by the first to represent their breed at the National level in a Rally competition. The following year AKC turned that Rally event into an annual competition designated as the Rally National Championship. Although official awards are not provided at this event for Top Dog in each breed, an opportunity exists for one dog of each breed to achieve that honor each year by either being the only dog in that breed present or by earning the highest combined score of the dogs of that breed that participate. AKC expanded its Rally titling program to include Intermediate and Master classes/titles and a Championship title in 2017. Beginning with the 2019 RNC, the classes offered at the RNC became Rally Novice, Rally Intermediate, Rally Advanced, Rally Excellent, Rally Master and Rally Championship. This event is not an Invitational, but rather, all dogs that meet the criteria are eligible to submit an entry. This is a prestigious and popular event. In recent years when the number of entries submitted have exceeded the number that can be accommodated at the show, entries received by the deadline have gone into a Random Draw to determine the final list of dogs that may participate.
